

**REMARKS**

Applicants thank the Examiner for the careful consideration of this application. Claims 2-4, 6-11, 25-27, and 29 are currently pending. By this Amendment, claim 25 has been amended to incorporate the subject matter of claim 28, now cancelled, without prejudice. New claim 29 has been added. Based on the foregoing amendments and the following remarks, Applicants respectfully submit that the present application is in condition for allowance.

**Examiner Interview**

The Applicants appreciate the courtesy that was extended by Examiner Arthur Corbin to their representative, Steven Schwarz, during the telephone interview conducted on June 4, 2008. Examiner Corbin contacted Mr. Schwarz to discuss, generally, the prior art cited in the Information Disclosure Statement (IDS) filed on May 23, 2008. Without referring specifically to any cited references, Examiner Corbin indicated that claim 25 should be amended to incorporate the subject matter of then claim 28 (now cancelled), in order to distinguish over the cited references. Mr. Schwarz then proposed the changes to claim 25 set forth above, and Examiner Corbin agreed to the changes. Examiner Corbin instructed Mr. Schwarz to file a Request for Continued Examination (RCE) along with the amendment to claim 25, and indicated that he would then issue a new Notice of Allowance.
